YEAR'S ROUGHEST GAME

Insects Win From Jamestown Five At Basketball

FIRST PLACE IN TOURNAMENT

Last Night's Victory Practically Settles Question of Which Team Will Win Series at Y. M. C. A.—Final Contest Next Saturday Night.

In one of the roughest and most fiercely contested basketball games seen here this season, the Insects walloped the Jamestown Five in the gymnasium of the local Young Men's Christian Association last night by a score of 17 to 14. Quite a crowd of enthusiasts witnessed the performance and some strenuous rooting was done during the two short halves of the game.

By winning this match the Insects practically "clinched" first place in the tournament that has been in progress at the association for several weeks. The final game of the tournament will be played next Saturday night between the Insects and the Teddy Bears. The former team is expected to win this match with ease and carry off first honors in the tournament.
